

Dear Friends of FEDICE,

As the chair of the FEDICE USA board it is my privilege to announce a generous matching gift that has been offered to help put FEDICE on a more solid financial footing. This \$20,000 match would go a long way in securing the future work with the indigenous populations in Ecuador. By this time, some of you may have already heard about this gift and made a pledge - if so, Thank You!

It has been an honor to play a small part in the work that FEDICE does. As the great nephew of Violet Groth, I grew up hearing stories from Victor and Vi and was able to visit and see their great work in person. This gift will go directly to helping the communities that they cared so deeply about. All funds raised will go directly into expanding FEDICE projects.

But this gift will only happen if all of us step up and do our part to match the \$20,000. We are reaching out to you as a person who has been touched by FEDICE - whether through the lives of Vic and Vi or through the outstanding work of Blanca, who continues to work so hard in fulfilling the vision of lifting up indigenous people of Ecuador.

As a FEDICE USA board representative, it is so exciting to see a pathway toward helping this ministry become financially self-sufficient. **The board has been so motivated by this gift that we would like to add our own bit of excitement and are announcing that we are expanding the match by an additional \$10,000!**

We ask that you prayerfully consider what you can do to be a part of this amazing opportunity. **By meeting the match challenge by the end of 2019, we will secure \$60,000 to be used to continue this mission that I know has touched so many people in Ecuador - and all of you!**

This is our opportunity to have a long distance 'minga' and come together, if only in spirit, to support FEDICE. [Below are all the details needed to send in your gift or click here for on-line giving.](#)

Thank you in advance for your help in making this match a reality!

Craig Jenkins-Sutton
