Thank God, FEDICE and the people who made this help possible. We managed to deliver 20 rations of food to the elderly and their families. We reach these people who belong to vulnerable groups, including people in the “golden age” that is the third age. We were your hands; With great joy we have delivered these rations in the name of FEDICE. Thank you very much, God bless you all.

Pastora Carmen Castañeda.

Despite the difficult situation, child development centers continue to work with children. Working with the coordinators and thanks to their help, FEDICE was able to deliver 290 hygiene kits with toothpaste, soap, alcohol, masks, antiseptic gel, and toilet paper.
